

IPTAY

The Booster Club of Bishop LeBlond High School is an organization that assists with raising the funds needed to enhance both academic and athletic achievement at Bishop LeBlond. Several years ago, the Booster Club introduced a program called

"IPTAY" in an effort to build unity, show school spirit and generate funds. "IPTAY", which stands for "I Pay Twelve A Year " provides participants with the opportunity to give painlessly; while at the same time visibly showing their support of Bishop LeBlond. For a mere \$12.00, the participant will earn the right to display an easily identifiable window sticker on his/her vehicle. This enables the participant to not only provide financial support to Bishop LeBlond; but also to assist with promoting Bishop LeBlond to others within the community by "displaying" his/her support on a daily basis. Proceeds generated by the IPTAY program are used not only for athletic programs, but also to fund other identified needs of Bishop LeBlond. So...by encouraging all members of the rapidly growing Bishop LeBlond "family" to give just a little, we should be able to benefit all present and future students a lot!

If you did not receive an IPTAY letter during the month of September 2009, you may mail a check (payable to Bishop LeBlond High School/IPTAY) and mail it to:

IPTAY c/o Bishop LeBlond High School

Attention: Booster Club

3529 Frederick Ave.

St. Joseph, MO 64506Or, you may purchase an IPTAY window sticker at the Spirit Shop. You will receive one window sticker for every \$12.00 you contribute. It is difficult to provide a quality Catholic education without the help of so many who care. We ask that you help support the students of Bishop LeBlond by becoming a member of IPTAY!

Thank you in advance for your generous support! Bishop LeBlond Booster Club
